

VDS Pro Sample Evidence

Employer Compliance Evidence

Northbridge Logistics | May 2026 refresher cohort

A training record for fleets and employers who need accountable refresher evidence.

Buyer question: Can we prove drivers completed the required refresher work?

Summary

- 8 of 10 drivers compliant
- 2 drivers below the refresher requirement
- CSV evidence ready for HR, safety, or insurance records

Evidence Records

Alex Carter | Hazard awareness | 88% | Compliant | Completed required refresher module group.

Priya Shah | Speed Management | 69% | In progress | One retake needed before compliance deadline.

Marcus Evans | Career Drives | 91% | Passed | Suitable evidence for internal refresher record.

Next Steps

- Assign retakes to drivers below the pass mark.
- Download compliance CSV for the monthly safety file.
- Review cohort progress before the deadline.
