

VDS Pro Sample Evidence

Instructor Lesson Prep Evidence

Northbridge Driving School | Current learner queue

A lesson-prep export showing weak areas, attempts, and what to review first.

Buyer question: Where should I spend the first ten minutes of the next lesson?

Summary

- 2 learners need roundabout review
- 1 learner is test-ready pending manoeuvres
- Unassigned review queue: 1 submitted assessment

Evidence Records

Maya Patel | Roundabouts | 62% | Needs instructor review | Review lane discipline before moving to speed management.

Owen Reed | Hazard Perception | 84% | Submitted | Ready for instructor sign-off.

Leah Morris | Manoeuvres | 71% | On track | Practise bay parking once more before practical mock.

Next Steps

- Open the review queue before the next session.
- Assign the roundabouts retake to Maya.
- Export assessments after sign-off for the learner record.
