

VDS Pro Sample Evidence

Parent Progress Evidence

Maya Patel | 1 May 2026 - 7 May 2026

A plain-English weekly update for families supporting a learner between road lessons.

Buyer question: What should we practise before paying for more road time?

Summary

- 3 of 5 starter modules passed
- Roundabouts need a focused retake
- Next best use of time: 20 minutes on lane choice and exits

Evidence Records

Maya Patel | Basics | 92% | Passed | Smooth control and safe mirror routine.

Maya Patel | Roundabouts | 62% | Needs practice | Retake with focus on lane choice and exit timing.

Maya Patel | Speed Management | Not started | Queued | Start after the roundabouts retake.

Next Steps

- Book one short simulator session before the next road lesson.
- Share the focus-area notes with the instructor.
- Review the next report after the retake.
